

Calendar of rest days

When you work with foreign partners, it is useful to know, which days are considered to be rest days in their countries. It is especially important when the international payments according to the terms agreed by the parties in the contracts in advance are planned.

This table shows the calendar of rest days in 2017 in the majority of European countries, the USA and China.

	January	February	March	April	May	June	July	August	September	October	November	December
